

**We Haven't Won the Water Wars!**  
**2-Gates and Other Projects Are Still In-The-Works**  
Join the **Save the California Delta Alliance**

**SO FAR WE HAVE TEMPORARILY POSTPONED THE 2-GATES PROJECT:**

- **Hired scientific experts** who have firmly rebutted the project sponsors' claims that the gates will somehow "help" Discovery Bay. In fact our experts confirm that the gates may hurt water quality in Discovery Bay.
- **Hired an outstanding attorney** who has begun preparation for a lawsuit to stop the project, if that should become necessary.
- **Temporarily postponed that project** by sending comments and working with legislators.

**BUT WE NEED YOUR HELP TO KEEP GOING:**

- We are up against powerful opponents with unlimited resources and strong influence on the Governor and Sen. Feinstein, pushing other initiatives that would harm the Delta.
- We are **confident we can make a difference** because the law and the facts are on our side.
- Please help us stay in the fight and stand up to these **powerful Los Angeles interests** who would rob us of our Delta way of life!
